Isaiah 33:6

"And wisdom and knowledge shall be the stability of your times, and strength of salvation: the fear of the LORD is his treasure."

LEARN & LIVE

Victory on the cross by mercy is prophesied here as a strong assurance one day of salvation and liberation. The nations without God will be viewed as a scorched desert. Although the picture and promise is a return to the homeland from exile for the Israelites, it has a far bigger connotation. It is a prophecy of God's people in eternity. God is a protector and establishes here a hedge of protection that cannot be crossed.
