LEARN & LIVE

Word of the week this week is Ephesians 4 -12 and it says,

"Their responsibility is to equip God's people to do His work and build the church, the body of Christ." I think I take from that the relationships that we have in church, you know, it's important that we are building each other up, whether whether that be in their jobs, in their family life as husbands, wives, brothers to siblings. It's important that we build each other up for the Kingdom of God. It's not easy being a Christian and the more that we can support each other and grow each other in Christ and in our faith, the better we are.
